Dear all participants at the ISPC International Show 2018

We would like to give you all a warm welcome to our show. We are extremely pleased you have chosen to celebrate our 50th anniversary with us. Hosting the international show makes the celebration extra special.

We have tried our best to make a good show for you, and we aim to make a good experience.

On arrival you will get an envelope with all the paperwork needed in the Secretary's office.

In this catalogue you'll find names of people in charge of campsite, stabling and Secretary's office. A map over the showground should also be helpful.

Should you need help you are welcome to ask, and we'll help you to the best of our abilities.

Making a show like this takes a lot of people who have given a lot of their time and worked hard both during the last three years and this week without your participation this show couldn't have been possible, so thank you very much each and every one of you.

Best wishes

Lene Lund Kristensen

President of The Danish Shetland Pony Society
